WELCOME!

Welcome to the National Kiko Registry's Cumberland Meat Goat Conference and Spotlight Sale. The NKR's annual conference has become the premier educational and networking event for Kiko producers everywhere. Nowhere else can one meet as many Kiko producers, see as many Kiko goats or learn from so many small ruminant educators as here. From the serious side of learning how to better manage your goatherd to socializing with old friends and making new ones, the annual NKR conference offers a fun experience for the entire family.

This is your opportunity to enhance your herd with premium genetics and exceptional bloodlines. It's a perfect chance to elevate your breeding program and secure the future success of your herd.

The address for the Hyder-Burkes Ag Pavilion at Tennessee Tech University is
2390 Gainesboro Grade, Cookeville TN 38501

RV hookups are available onsite. Call 931-372-6767

Video promotes Kiko goats and the National Kiko Registry

This video was created by a professional video production company using state of the art equipment and professional voice talent to produce a high quality product. The intent was to furnish you, as a Kiko breeder, with a tool to promote your business. The video, entitled "Thinking Outside the Fence" is about 4 minutes long and covers the valuable traits of the Kiko breed and the National Kiko Registry. We think this will be helpful to share with potential customers and those who show interest in our industry. The video is available on DVD and if you would like to take a look, or use it in introducing potential customers to your goats and the Kiko breed, you can get a copy (or multiple copies) at no charge by contacting the NKR registrar at 770-844-4300 or nkr.reg@gmail.com.

Copies of the NKR video are available on DVD at no charge.
